Important advice to all applicants

All sections of the application form must be fully completed. You should be aware that this insurance is subject to a comprehensive previous medical condition/disability exclusion in relation to all medical/health matters. The full definition of 'previous medical condition/disability' is contained in the terms and conditions which appear in the policy wording, a copy of which can be obtained from Nexus Europe SAS. To ensure that you have the coverage you require and that you understand the scheme limitations, it is recommended that you study the terms and conditions.

You must take care in answering all the following questions and you must declare full details of your medical history, including disabilities, illnesses and accidents together with the dates of such occurrences, all of which are relevant to our providing this insurance and setting the terms and premium. You should not omit to disclose medical history details because you have been declared fit or have been told that the results of medical investigations are satisfactory, or because you think or have been advised that they are not relevant. If you have no medical history to declare state NIL. If you do not understand any question or the nature of the information required please seek guidance from us or your broker.

Your failure to provide information or the provision of incomplete or inaccurate information may result in the loss of cover or revised terms and/or premium or it may affect any claim you make under this insurance.
